“ It was with great sadness that we learned of Drema's passing. I have happy memories of spending time with Drema at the lake and family get togethers. She will always be in our hearts and in our prayers.

“ Drema was a dear friend. We taught school together for 20 years and remained friends after her retirement. I have many fond memories of her. She was supportive and always looked for positive ways to make things better. Her dry sense of humor brought me to my knees with laughter often. On St. Patrick's Day, we always made a mess in our rooms and sprinkled green glitter but she had a green doll jacket hidden in her cabinet and always pretended to wrestle with the leprechaun. The children loved it and her. She was such a wonderful person, full of kindness and gentle spirited. Oh, how I will miss her and my life was truly blessed by knowing her.
