

Homer Alvin Allgood

November 28, 1938 - April 17, 2021

What is grief, but love persevering?

On Saturday, April 17, 2021, Homer Alvin Allgood aged 82 of Conyers, Georgia, passed quietly surrounded by his family. He was preceded in death by his mother, Effie Inez Beasley (née Pirkle), and his father, Homer Glenn Allgood.

Alvin was a family man, engineer, car enthusiast, and hunter. He was passionate about his projects, ranging from rebuilding cars to designing and building houses. He never met a car auction or auto race he didn't like.

At a young age, he started working for First National Bank of Atlanta as a maintenance engineer. He worked for them for over 34 years, rising through the ranks to Vice President of Maintenance and Facilities for Wells Fargo at the time of his retirement.

His constant companion over the past 61 years is his wife Barbara Ray Allgood (née Agnew). Together they raised four children. They worked as a team on nearly all his projects, and together achieved and surpassed many of their life goals. After retirement, they enjoyed spending time together at their home at Lake Hartwell.

He is survived by his wife Barbara, their four children and their families - Michael Allgood, Candace Frazier and her husband Len Frazier, Tanya Allgood, Toni Millikan, and Nivla Calcinore, his daughter from a previous marriage, as well as grandchildren Chloe and Jay Frazier, Adam Kelley and his wife Kim Kelley, Trey Calcinore and his partner Audrey Detrick, and great grandchildren Reeve and Walter Kelley, Cade and Colt Calcinore, and his sister Myrtie Kate Reep (née Allgood).

Viewing will be held at Scot Ward Funeral Services in Conyers, Georgia, on Tuesday, April 20, from 1:00 pm to 3:00 pm, followed by his memorial service. In lieu of flowers, the family asks that donations be made to the American Cancer Society in Alvin's memory.

Ode to My Dad

Born to Homer Glen and Effie Inez
In the fall of '38-
The world was just not ready
For a man that was this great!

Swaddled in a blanket,
His first bed a bottom drawer-
A handsome baby boy
That his sister Myrt would just adore!

As a boy, he was full of energy
And a temper that could run hot-
He said he got a daily spanking,
Whether he needed it or not!

After leaving Bass High School
Working with his dad is what he chose-
“Any job worth doing, was worth doing right”
Through his work this always showed.

The next few years would form him,
A young father of a bright-eyed little girl-
Finding a new job and his soulmate
He was ready to take on the world!

Married to “Sam” in 1960
Their family they would grow-
A son and three more daughters
All being loved more than they would know!

Their years together brought projects,
Flipping houses and moving them too-
A master of many trades
There's so much together they could do!

Telling him something couldn't be done
Was a challenge he would always take-
With determination and a few colorful words
Success he would always make!

As the kids grew up and retirement came
They built a home upon the lake-
A place to share more love with family
And all the memories they would make.

A man who loved his family,
A wife, 4 daughters and a son-

8 total grands and great grands,
Wow! We were the lucky ones!

There's a sadness we all feel,
For a man that was so great-
But see he had to go ahead of us
To rebuild that pearly gate.

“ One of my oldest and perhaps fondest memories of Alvin, was playing with Hot Rod, his beloved Boxer, and the Boxer puppies, that he and Barbara raised, many years ago. Nivla and I were just young girls, way back then, but we loved the puppy dogs. May God bless your soul and may you rest in peace, after such a hard fight. My thoughts and prayers are with you, Barbara, and all of the family, during this most difficult time. I hope that you and the family find strength and comfort, in knowing that you are surrounded by love, in body, mind, and spirit. Love, Beverly Nasca

“ To Barbara and family,
Dave and I were so sorry to hear about Alvin's passing but we now know he is no longer suffering. We enjoyed so many fun times together sight seeing in week- long trips and at lake Hartwell. Though Alvin wasn't much into traveling long distances we still got to enjoy the shorter trips like to Pigeon Forge, Branson, and especially to Panama City Beach. Our hearts go out to you and the entire family and trust all will accept our sincere condolences. With much love and sympathy, Sister Shirley and Dave
