

Kelvin Boyd Bergdale

February 25, 1948 - October 28, 2017

It is with absolute and profound sadness that we announce the death of Kelvin Boyd Bergdale, age 69, Saturday, October 28, 2017 at Emory University Hospital following a nine-month fight against Glioblastoma, an aggressive brain cancer - a fight that was no less than heroic. Kel was born in Hawarden, Iowa to Leslie and Ruth Wilson Bergdale. He graduated from the University of Iowa with a degree in Political Science and then served in Vietnam from 1970 to 1972. Since 2004 Kel was employed as an insurance agent for True North Companies in Cedar Rapids, Iowa. Prior to 2004, he was Manager of Production at Plaid Enterprises in Atlanta, GA. Kel was the beloved husband of Sherry and the devoted and proud father of sons, Jeff and Greg (Katherine). His family was so happy to be able to stream Greg and Katherine's wedding, which took place October 27, 2017 to his room at Emory. He is also survived by his brother, Bernard Bergdale (Phyllis) of Alcester, SD, sisters, Marge Eilers of Alcester, Muriel Goettsch (Duane) of Winnebago, IL, and Jean Eilers of Valdosta, GA as well as a host of much-loved cousins, nephews, nieces and a countless number of friends...and his beloved cat, Soxy. Kel loved people and nothing made him happier than spending time with family and friends. He was a kind and loyal friend. An avid sports fan, he spent many years coaching youth recreational baseball and basketball in Rockdale County. He never forgot a child he coached. He also served two terms on the Rockdale County Board of Recreation. He was extremely passionate about his beloved Iowa Hawkeyes and nothing pleased him more than a trip to Iowa City during football season! He also developed a love of European travel and was fortunate to enjoy several trips over the past few years. One year in France, he was able to participate in the Flag Ceremony at the American Cemetery in Normandy - an honor that he held close to his heart. It is difficult to express our appreciation for the concern, care and love Kel received during the past nine months - from the skilled and compassionate doctors and nurses at Emory to the multitude of loving friends and relatives who drove many miles to take him to his daily radiology appointments....and, of course, then to Fox Brothers for lunch! Getting to visit with his friends on these trips was the highlight of his day. A special thank you to his sister Jean Eilers and niece Traci Pritchard for spending so much time with Kel at Emory and to Jane Kruse who stayed with Kel at the hospital so that the rest of the family could attend Greg and Katherine's

wedding. And to Phil Marucha and the Emory employees who made it possible for Kel to watch his son's wedding....a million thank-you's is not enough. Funeral services will be held Friday, November 3, 2017 at 12 p.m. at Scot Ward's Green Meadow Chapel with Dr. Dave Benson officiating; interment will follow at Green Meadow Memorial Gardens. The family will receive friends from 10 a.m. to 12 p.m. prior to the service at the funeral home. In lieu of flowers, contributions may be made to Conyers First United Methodist Church, 921 N. Main Street, NW, Conyers, GA 30012. Condolences may be submitted on-line at <http://www.scotward.com>. Scot Ward Funeral Services, 699 American Legion Rd., Conyers, GA, 770-483-7216.

“ Kel and I met and became friends 50 years ago while in college at Iowa...a couple of guys from small towns who loved the Hawkeyes. When not attending, watching or discussing sports, a bunch of us might be found on a rainy weekend afternoon at one of our apartments playing bridge or teams-Monopoly while sipping adult beverages. One of my favorite memories came after college when he and our friend Stick visited me when I was working in Nevada, IA. Kel loved that adventure too and often brought it up during his trips to Iowa City when we got together. Another favorite memory was just a year ago when Kel orchestrated a mini-reunion of six of us from those great college days. That was Kel...once a friend, always a friend. I will greatly miss his visits, and the phone conversations we had over the last several months. Rest in Peace, Kel.

“ Sherry, Jeff and Greg,

We just want to tell you how sorry we are on the passing of Kel. He was one of the finest men I know. We go back a long time, as Kevin, our son, and Jeff first became friends in kindergarten. I had the wonderful privilege this spring to take Kel to Emory a couple of times for radiation. I will treasure those times. It was great to spend that time with him.

We love you all and will continue to pray for you.

“ Kel was my college roommate for two years at Iowa and a good friend. I have so many memories of good times we shared, often involving our beloved Hawkeyes and/or a libation. He could strike up a conversation with anyone....and often did. His smile and friendly demeanor was genuine, and after a few minutes it could seem as though a stranger was a long lost friend. Kel was as close to exemplifying "love thy neighbor as thyself" as anyone I have known. Kel's family, faith and friends were his priorities and he gave due diligence to each. You are missed. Condolences to Sherri, Jeff and Greg in this difficult time. Our thoughts and prayers, Rollie and Judy Kitt

“ Growing up in Hawarden Kel and I spent many, many hours together playing sport related games & talking sports and once in a while we might have even talked about girls. His continued friendship beyond high school & college and into each of our 40 plus years of our marriages is something I will always hold close to my heart. I am so thankful that I got to spend time with him at our 50th high school class reunion plus a get together that same time frame at Lake Okoboji. He was a true friend and my sympathy goes out to the entire family.

“ Kel, was my college roommate for 3 years and I could never have asked for better friend. What I appreciated, having grown up in George, Iowa was the down to earth, humble, honest, simple approach of living his life to the fullest. He will be deeply missed by all his family and friends. Rest assured though the Hawkeyes will have the best fan ever in Heaven!

“ Kel and I grew up together in South Dakota about 1/2 mile across the field and creek. We would get together and play "Farm" with the toys our Grandparents and parents made for us. Kel loved to play baseball and we mowed many pastures to make ball fields and play every Sunday afternoon. I will always remember his love of his Mother Ruth's Cinnamon rolls, he would eat the whole pan and then eat no dinner. He also loved Strawberry Shortcake.

We celebrated Christmas's together as a family and had great times in Church together as well. Kel was always kind and he and his Mother came to see me everyday in the hospital after I was in a car accident as a 9 year old. It made my day to have Kel to play with at that time. I never forgot that act of kindness

I know that Sherry, Jeff, Greg and Katherin will miss you greatly and our prayers are with them during this time and in the future. I will miss you greatly as well but look forward to the time in the future when I will see you in Heaven.
