“ Dear Wall's family,  
What a dear 'lady' Mary Lou' was and we loved to converse on Sundays when our paths crossed. She dearly loved the Lord and her GA DAWGS. What a blessing it was to have known her and we will see each again later. She was loved by all at at our church.  
God bless you!

“ Granny Walls and Papa Walls were like another set of grandparents to me and my sister. They taught me 2 very important things; cheer for Georgia and love Christ.

“ It was our pleasure to pick up Mrs. Walls on Sundays and take her to FBC Conyers before she moved out of her house. I've loved her for many years. I have a rose bush in my yard still today that she gave me out of her yard. She lived across the street from my parents. I can see them all together again today in heaven. Love and prayers to the Walls family.

“ There are no words to describe how much love I have for my beautiful Granny. I am so blessed to have had 41 years with her. She loved me like no other and I knew if I had a secret it was safe with her. Even though we were 60 years apart she became my best friend. If I needed advice or a hug or anything it didn't matter big or small she was always there. I will never forget all our times together. Her and Granddaddy watching me play ball and supporting me every game. All the piano lessons she paid for so I could learn to play. All the Easter dresses year after year. All the times of just visiting her growing up and holding her soft hands and never once leaving from a visit without getting and giving a hug and never forgetting to say I love you. I want to keep you here with me for another 41 years or more but the one thing that keeps me going is knowing that when my time is over here on Earth you will be standing at the gates welcoming me to a much better place and oh what a day that will be!!! I love you more than words Granny

“ Dearest Granny I am so very grateful for 32 years of treasured memories. You have taught me so many things, most simply by example. I will always remember the kind, gentle person you were to me and so many, Yet the funny, spunky, witty woman you were was so contagious. God speed angel Praying for the Walls family and others as we adjust to life without you.
