“ *Ms. Linda: Bob Bertram and I were golf buddies with Al. We knew him as a great American and patriot, who was proud of his service to and obviously had great affection for this country. Henry, David, Bob, myself and many others who enjoyed his company on the golf course will greatly miss him. Although he stood on the "wrong side of the ball" he was on the right side of life. A donation has been made to St Jude's Children's Hospital in his memory.*

With our sympathy,

Bob Bertram and Steven Hathorn

“ *Dear Linda and Family, I do understand the loss you are feeling right now. Albert was always such a sweet child, and he was the same as a grown man. Please know that you and your family will be remembered in my prayers. I am sorry I cannot be there with you, but will be contacting you at a later date. Remember Albert has seen the Face of God. How wonderful for him. Sincerely, George Ann*

“ Mike Philbrick from Summerdale, AL.
I had the pleasure of working with Al in the later portion of my career. He was the firearms instructor for the " ' Atlantaham ' " Division. The name coined by our INC at the time.
Firearms training was hard work, student or instructor. It was potentially dangerous work. It was mandatory. Everybody met the standards. Whether in the classroom or at the range, Al was always professional, helpful and pleasant. My daughter, a US PROBATION OFFICER, is a firearms instructor. Now 17 years after my retirement i can offer her a gold standard role model for firearms instruction, AL ADAMS.

“ Over the last twelve years or so I have spent many, many hours (I estimate about 5,000) with Al on the golf course. You get to know someone pretty well after spending that much time with them. I watched as he suffered the after affects of chemo from his first bout with cancer and as he suffered a minor stroke while on the golf course. Through all of that I never heard him complain, never, not once; nor, did I ever see him lose his cool. I will remember those years as a time of great fun and comradery and I along with many of his golfing buddies, will miss him.

“ Linda,

I am so very sad to hear about the loss of Al. You and he changed my life for the better in so many ways and I will forever love you both for your guidance and support. Al was like my Dad for so many years and I still regard him in that manner. I can remember the enormous feelings of love and warmth I would feel each time he told me he was proud of me. I am going to miss him tremendously.

Love and peace to you and the Family.

“ *My Uncle Albert never once made me feel unaccepted or unappreciated. It was always easy to be in his presence. About how many people can you say that? Not many. At least not in my experience. He once came to see me do stand-up in Atlanta. It meant so much to me that he made the effort. I really wish I'd been funny that night. I wasn't. The host had some unkind things to me, I let it get under my skin, and I wasn't funny. It's always bothered me, but it bothers me even more now. I'm so glad I was there for the reunion and got to spend that time with him then. I will miss him. And I miss him on behalf of Linda, Tony, Stephen, Warren, Mindy & Wendy, and all of their people. Love you all. - Carrie*
