“ I worked with Berta at Kysor/Warren for many years. Her smile and ability to handle any situation was always an inspiration to me. I remember the day we met in the breakroom at K/W, she was eating her lunch and I was running late with lunch, I sat down at her table and we began to talk. Berta tore the crust off her sandwich and I reached over, got it and ate it, she said she knew at that moment that we would be good friends and we were. Had not seem Berta in several years but she will be missed but held in may of my good memories.

“ I am a volunteer at Piedmont Rockdale Hospital. I remember well when Alberta came to join us there. Her presence in the organization was one of kindness and love to everyone she came in contact with. We will miss her and share the families loss with heavy hearts. Our thoughts and prayers to all of Miss Alberta's family.

“ Some of my best memories were all the Little League games, BBQ's, and happy times I spent with Aunt Alberta, Uncle Tom and Ricky when I was just a kid. I remember the first year they moved to Conyers and Aunt Alberta planted 11 hills of cucumbers. She had so many cucumbers that year that everyone who came to visit left with a grocery sack full! She was a great cook and always kept us well fed when we came in the summer. I will think of her often and we miss her greatly. Brenda Hawkins, niece.
