

## Alicia Blankenship Potts

July 12, 1959 - January 17, 2026

Alicia Blankenship Potts, beloved wife, mother, and friend, passed away peacefully on January 17, 2026, at the age of 66. Born on July 12, 1959, in Atlanta, Georgia, Alicia was a bright light in the lives of all who knew her. She was the cherished daughter of Jimmy and Gloria Jean Blankenship, who preceded her in death, along with her beloved grandparents, Mattie Mae and Robert Slaughter, and her infant brother, Jimmy Blankenship Jr.

Throughout her life, Alicia was known for her warmth, kindness, and an unwavering love for her family. She is survived by her devoted husband, Charles Potts, and her daughter, Megan Claire Potts, who will forever carry her spirit and love in their hearts.

Alicia's passions spanned a wide array of interests. She found joy in music, often filling her home with beautiful melodies as she played the piano. Her love of reading opened up worlds of imagination and knowledge, which she cherished deeply. Cooking was another one of her great loves, where she expressed her creativity and nurtured her family with delicious meals. Animals held a special place in her heart, and she could often be found caring for her furry friends with gentle affection.

Professionally, Alicia dedicated many years of her life to the dental field, where she worked both as a dental hygienist and an orthodontic assistant with

Dr. Allen. Her gentle touch and caring nature made her a favorite among patients, who appreciated her attentiveness and expertise.

Alicia was a warm and loving person who touched the lives of many, and her legacy will endure in the memories shared by family and friends. She was a pillar of strength and grace, and her laughter and love will be profoundly missed.
