“ Allan Jones was a tremendous leader in our community and it was amazing to learn from him and to watch him work on the SPLOST Oversight Committee. He truly loved the City and the County. He was enthusiastic to see that we had a heart for SPLOST and wanted to learn more. Meetings will no longer be the same. But the honor and privilege was truly everyone who had a moment to spend under his tutelage.

*Rest well sir.*

*With tremendous respect*

“ I was the Senior Executive Director at the Boys & Girls Club during Allan tenure as a board member. He was very supportive and cared deeply about the children and affairs of the club. I can't recall Allan missing a board meeting. That's a testament to his commitment to the children at the club. On behalf of all of them who benefited from his contribution I say rest in peace.

“ This is such a devastating time for me. Allan Jones was my VERY first boss of whom I had the privilege to work for . I worked for him for 16 years and helped him run and manage Citizens Office Supply. I always told him he was my second dad and he always told me that I was like a daughter. I loved him dearly and will ALWAYS cherish every memory, every moment and every tangible thing that had anything to do with him!!!! He was such a VITAL part of my life He was also there when my one and only son came into this world. He and his family have ALWAYS treated me as family. Cooper is like my little brother. This is so hard for me but I know he did pass doing what he loved most.... playing golf!!!! RIP Jones. I LOVE YOU!!!! Thank you for everything you taught me and all of my people and customer service skills. FLY HIGH!!!!!! 💔💔💔💔
