“ Dearest, dearest Amber, how you will be missed! You brought sunshine to a room and lightning to a stage. It was an honor to know you. My heart is broken for Craig and all your family and friends. Now, you bring your light to the heavens. Until we meet again.

“ Amber was such a bright light wherever she went. She was warm and kind and FUN! I loved any time I got to share a stage with her. She made everyone better around her. I loved being directed by her in 2016. She made sure we worked hard and played harder. Love to all. -kim fratesi
