“ We had so many memories & fun times. I'll never forget, when Am got pregnant, she called me a little freaked out, we talked & talked & she got off that call feeling a little better about it, then she shared many more wonderful years as friends, chosen family really. Raising our kids around each other & going fishing, camp & out to dinners. She held a very special place in our lives & will be missed, but I know she'll watch out for Autumn, Pheng & Melanya forever from heaven. Rest my friend ❤️
