“ Keith.....It was a very sad day when I read my mail concerning Andrew. It is the worst news a parent can get that their son has passed. Sandra and I are praying for you and your family. There is nothing I can say or do to improve the situation. May God give you peace. The memory will not go away but will get a little easier with time.

“ Andrew, one of the 3 Musketeers of HoneyCreek.(Owen, Ben & Andrew) and was a huge part of our family. Words cannot express the sadness we all feel-for Andrew, for the Rowland family and for ourselves-what a great loss of a great kid. He always smiled and was always willing to have fun. I'll never forget when the boys decided that walking the length of the wooden fence put up by the medical office was too much trouble, so they cut a 'door' in the fence for easy access to the gas station across the street. When we found out what they did, the damage was already done so we put hinges on it so at least it looked better and wasn't so obvious to the owner. Crazy boys. We will miss you Andrew. Our thoughts and prayers are with you dear Rowland family.

“ Andrew was always the most compassionate of our team. He would come to you, one on one, and make sure you were in good spirits and ready to play. He was receptive to whatever issues you had and was empathetic in his response. I'm glad and lucky to have known and played soccer with him for as long as I did. My deepest condolences and well wishes go to his family.

“ My deepest condolences to the Rowland family and loved ones. My heart is broken and empty with our loss of Andrew, as is everyone's! I feel so blessed that I was able to watch him grow up from the SO quiet and shy freshman who would only whisper to my daughter when he would visit our house, to a kind, and caring man who was loved by SO SO many.

Andrew, i will miss your smile, your hugs (even if they were sweaty from running in all directions around Betty's), and your kind spirit. You will be missed by so many!! You will always be in my heart.
