“ I'll never forget Andrew, and how can you. He always made sure everyone was okay and comfortable. Andrew would ask me 10 or more times if I needed a drink or something to eat or if I needed a pinch of dip. That man loved animals and his family. I've never seen someone care so much about others than he did. He was an amazing person, and he touched so many hearts in his 28 years of life. He always made people laugh and made them feel better if they were having a bad day. Andrew was a wonderful person and glad I had the time to get to know him and be apart of his life. He may have wings but he walks beside everyone. I love you Andrew and miss you watch after all of us. Rest in peace and have a fun time up there!

“ Gloria, there are no words to say. I know the pain and shock you are feeling. Leonard, Talia and I are so sorry that you, Iver and Jonathan are having to go through this. This is not something that you just get over. You get through it with our Lord and Savior, Christ Jesus. He is our comfort, our hope, and our peace. If it were not for Him, I would not have come out of that valley healed. We have His promise that we will see our boys once again. Please always remember that one promise! Love to all, Jan Smith and family.
