“ *Dear Lisa, and Family: Before writing here, I just read others comments. Each are my comments also! wow. our time at MTCCC, all those years. So many things, like Linda Chambers said, choir etc. etc. And the people who have not known Ann all that long. To think that she never changed! wow. As others, I will never forget Ann. She was always so nice to Me. Her sweet smiles.....and on and on. And Lisa, I cannot think of Ann without thinking of YOU! So I know this will be a hard adjustment for you. And to be funny here - no wonder we got along so well, we both went to Roosevelt! as did my Larry. ha ha. I will never forget you and Ann. When we get to see each other, like we did occasionally, I will be looking at you with all my love Lisa. take care, love, larry and linda parker*

“ Lisa and family: your mother & I met at Roosevelt High School and became good friends. After my husband who also went to high school with us and our family moved to Northern California in the late 60's we lost touch. However, the impact of our friendship has stayed with me. Your mother was so smart, kind, helpful and fun to be with in high school. She was one of a few very admired girls in our class. Always pleasant and friendly to everyone. I met your dad a few times after they married, he was a pleasant guy and they made a nice couple. Ann & I had our babies around the same time, though I went on to have two more children. My thoughts are with you Lisa and your family as you go forward in your life without your mother, know her sweet spirit will be close to you. Sincerely, Sue Meador Gaddy

“ Lisa, our heart felt prayers continue for you, Perry, Katlyn & family, Shelley & family during this time of loss of your precious mother. Having known Ann for over 40 years, my memories of her are those of such a kind woman with a servant’s heart. She was a doer, whether it was crafting or volunteering in the community or the church. She loved people, the beach and most undeniably, you, her dearest daughter & her beautiful family! When I think of her, she was always smiling and had a hug ready to give me. What a special friend! She will be missed, but always remembered. Our thoughts & prayers are with you all! May our Heavenly Father comfort you and may you find peace in knowing she rests in His arms this day! We love you all.

“ Ms Ann always greeted us with a smile and never missed an opportunity to ask about our children and grandchildren. She has always reminded me of a true 'Southern Lady'. She had so many talents and took the time to look her best wherever she went. At church she asked me how I was doing and offhandedly I said, "Some days I don't know which way is up!" She said, "Honey, sounds like you need a trip to the beach." My kind of woman!! Lisa, the devotion you've always shown your mother is a shining example to all daughters! Our love and prayers go out to you, Perry, and the girls as you learn how to navigate the days to come. And we're happy that Ms Ann and Wiley are together again!

“ Lisa, my thoughts and prayers are with you during this difficult time. I spoke with your mom a few times in the last several months since we could no longer visit. Know how much she loved you and all you did for her!! She so appreciated you and spoke highly of how thoughtful you were. It’s the little things most take for granted that mean so much to others: the coloring books, and crosswords and probably the material she needed to crochet with, that you brought to her to keep her entertained in her room when she couldn’t be with her friends in the common areas! She was a very proud grandmother and great grandmother...she loved speaking of those young boys!! She’ll always hold a special place in my heart.

“ I use to work at Great Oaks. She was so loving and always had a smile on her face. She loved to share stories about her grand children. She loved to dress, wear her jewelry and fragrances. She was a pleasure to help and my condolences to her daughter and entire family.
