“ My husband and I were neighbors since 1996. I saw her about a week ago walking a little distance around our circle getting exercise. . . . yes she continued to get her exercise. It is very different to believe we will not see her again. .. she always had a warm and greeting smile on her face . . how she will be missed!

“ I met The Vickery's as I rented a property from them. Very loving people as Mr. Vickery's health was changing he said my wife Ann will handle the business of this. Ms. Vickery was very compassionate. From our many talks I know she love God and walked according to his word. While she may be missed by many on this side I am certain her new home is Heaven.

Love you Aunt Ann!
