

Anne Helen Bloise

July 14, 1943 - November 27, 2023

Anne Helen Lennox Bloise, of Conyers, GA, passed away on Monday, November 27, 2023 due to complications from Alzheimer's disease. She was a beloved mother, grandmother, sister and friend. She brought joy and laughter to any room she walked into and it was said she never met a stranger. Anne was smart, kind, funny, and beautiful. To know her was to love her and she will be greatly missed.

Anne was born in San Juan, Puerto Rico on July 14, 1943. When she was 6 months old, her family moved to New York City. She loved her time in NYC with her friends at school and her family. Even at a young age, Anne loved to shop and enjoyed going shopping with her mom and sister in the city. As a teenager, she and her family moved back to Puerto Rico. She loved going to the beach and tanning. She attended University of Puerto Rico and greatly enjoyed her courses in English. She remained an avid reader her whole life, and always could be found with a book.

After college, she worked for Eastern Airlines and then Caribair. She loved being a flight attendant and loved traveling. While working for Caribair, she met the dashing Captain Bloise and fell in love.

On December 27, 1973, Anne married the love of her life, Jose A. Bloise. They moved from Puerto Rico to Conyers, GA into their forever home. She

loved her house in Conyers and loved working in her garden. She was an amazing cook and loved food. She loved French toast or pancakes any time of the day. She had a huge sweet tooth and always had jelly beans close by.

Anne loved taking photos! She always had her camera and made sure to capture all the happy moments between friends and family. She took beautiful landscape photos of her travels and her home and many many photos of her pets. Anne loved all animals and treated her pets like they were her children.

While living in Rockdale County, she worked as a substitute teacher. She was patient, kind and made learning fun. She loved teaching the children and the children loved her. She also worked at Rich's gift wrapping. Anne turned wrapping gifts into an art form. So much so, people would feel bad opening the gifts and ruining her work.

Anne loved music- all genres! She would turn the volume up loud and would dance and sing along. She would get goosebumps listening to certain songs and would show those around her. She also loved going to the movies and watching tv. She would watch Jeopardy everyday and would amaze those around her by answering all the questions correctly.

Anne had many many hobbies. She was brilliant and interesting, and her obituary would not be complete if it did not mention how incredibly beautiful she was. She was classy and refined and was always put together. She loved fashion and her clothes were always beautiful; often colorful and sparkly. A blonde bombshell, a kind soul, a strong woman, and an elegant lady- Anne was a force. Her impact on her family and friends is immeasurable. She was greatly loved and her passing leaves a massive hole in the hearts of those who knew and loved her.

Anne was preceded in death by her parents, Allister Lennox and Ann Helen Lennox Catala; and her husband of 33 years, Jose. A. Bloise. She is survived by her daughter, Elizabeth Bloise Defloria 'Lizzy'; grand-daughter, Stephanie M. Dana (Christopher Tyler Austin). She is also survived by her siblings, Loreen (Juan 'Junior') Costa; Allister Lennox 'Lenny' ; Andrew Lennox; and Allison (Stephen) Leonard. She is also survived by her nieces and nephews. As well as, her neighbor and family friend, John Williams, who always took care of her.

“*Anne, you had the biggest heart and the softest smile. You went out of your way to help anyone and everyone that you encountered. I know that because, you gave that gift to me for the past 34 years. We both relied on each other in anytime that we needed advice, help with anything, or just someone to talk to. You were my help, my friend, my watch person, and most of all, you were best neighbor that anyone could ever ask for. You and Mr. Bloise always have been apart of my family since the day that we moved to Conyers. I will never forget the day I met you two, and knew that you guys were not just neighbors but family. I can not express how much you meant to me, and appreciate everything you did for me. I wish that I told you more than I did. But in all essence I do feel that you gathered that from me without out right telling you. Everyone has appreciated me for what I did for you throughout the years, but the real appreciation is that you were always there for me. And I can not tell you how much I appreciate you, cherished you, and will always love and miss you. Rest in peace, till we see each other again.*”

“ *Titi Annie was the best aunt anyone could ever dream of! Her happiness was contagious, she would spread her light and love everywhere she went. No doubt everyone loved her. She would keep record of every occasion, pictures or videos, and would replay them later at the right time to get another round of laughs and make you live the moment all over again. Oh Titi Annie, how lucky to have known you. I treasure and appreciate every second with you. Watching Craig Ferguson, enjoying one of your delicious recipes, sitting in the kitchen table telling stories. Always a good time! I love you Titi, and you will always live in my heart.*

I want to extend a warm hug and condolences to all the family. I know we all loved her dearly and that she holds a very special place in all of our hearts. My mom, Ivelisse, would also like to send her condolences. Annie never stop being a sister.

*Until we see each other again, te amo titi, que descansas en paz. -

“ *We'll remember her smiles, laughter and the way she would light up a room. Always with her camera in hand, she captured the best of everyone. My favorite memories are her stories...for she could take an event from her day and turn it into the most hilarious story that would have us all doubled over with laughter! Annie- so full of life and joy- that is how I will remember you. May you be at peace now with Ollie, Anne and Bloise. With Love, Rita*
