“ I worked with Barb at the library. She was an intelligent,hardworking, and thoughtful lady who had a great sense of humor. One of my favorite memories of her was every year on St. Patrick's Day- she always wore the best costume! She loved her family and was so proud of them.Barb was an inspiration to us all. Her never give up attitude is rare. It was an honor to have known her and to call her my friend. My condolences to her family during this difficult time. May she rest in peace. With love, Jan

“ Friend and Classmate for many years we will miss you. She was one of the gang that played football and baseball at the circle across the street from her house. Many of the kids we grew up with on Kenton Ave., Pelham, and the Renwood Elementary, and then Junior high and Valley Forge HS will remember Barb. My condolences to all those who were close to her in later life and her family who loved her. Bill Kerlin

“ Cousin Barb was the slightly older generation to me. When your young a few years make a big difference. She was remarkably on the go. Always going somewhere, doing something, on the way to something going on. Wonderful good nature not unlike her mother and father. I personally think she is once again heading out somewhere to yet another adventure. My condolences to all those who were close to her. Rick Wager.

“ *Jim and I offer our condolences to Barbara's family. Jim and I got to know Barbara when she worked at the library. She was always friendly and had a joke for us. We read the same books and we had fun discussing them. We will remember her fondly and may she Rest In Peace free of pain and care. Barbara Brandon*
