“ Sherri, Angie, Mike & Matt, I will always remember the good times that your Mother and I had together working at the Ballpark, Towers High and down at the Capitol and just having good talks and fun laughing together. She was a wonderful woman and I always enjoyed coming to her house. I will always remember the Blue Willow Dishes, I just thought they were so special and she loved showing them to everyone and each piece was special to her. She made her home special. She loved family and friends, too. I have missed her in the last years and I know she is in a better place now. May the Lord comfort you all in the coming days. Tommy and I but send you our deepest sincere sympathy. Love Joyce & Tommy Vickery
