“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

Betty was one of the most giving, caring and loving lady that I have ever known. She was the best person that my uncle Green could have ever had for his companion for his later years

All of our extensive Braselton family loved her very much.

We have been Betty and Green next door neighbors for the past 10 years. She welcomed us the first time we looked at the house and we visited often. We shared a love of flowers, lawns, basketball and the Braves. A wonderful and shining light has passed from us. Betty, you will be missed.

Betty was a very sweet, caring & thoughtful aunt and I will miss our special phone conversations and fun visits when I was in Ga. My husband, Leo, and I want Harry and David and their families to know that they are in our thoughts and prayers. We are very sorry that we cannot attend the service today but are thankful that Betty is now with her Savior, Jesus Christ.

Miss Betty was a wonderful Lady. She was always gracious and very caring to those she came in contact with. I was blessed enough to call her and Green my friends and mentors in many ways. Whenever you talked to her you know it wasn't about her. Her compassion and caring attitude could bring a smile to my face each time I just greeted her or rather she greeted me.

She was loved by many and many she loved and cared for. I will miss her as will many others.

Prayers go up for the family.
