“ I have known Betty all my life. We always traded at Alexander's Grocery. They were friends of our family and helped out lots of times. Betty and her sister and brother and my sisters and brothers played together. My sister and I would attend bible school at Alexander Memorial Prespyterian along with our cousins. Both Doreen and Larry were friends of mine also. We have missed her since her move to Oklahoma and will miss her even more now. With love and prayers

I knew Betty during her time at Crossroads UMC. She was such a sweet lady and greeted everyone with that sweet smile. We have missed her since she left Crossroads. I know she had some hard times at the and all she ever wanted of us was to pray for her. I hope you have comfort in knowing she is with her Savior now.
