“ *So thankful for the life of Betty Bonner Regan, BB. She poured into me her love, her faith, and her friendship for 34 years. There are no words that adequately describe how special she was. The memories I have of her faithfulness in loving me unconditionally will fill my life until we meet again. May God hold you all in His loving hands as you travel this difficult road of losing a love of your lives.*

“ To all the Bonners - I really adored your mother all the times I visited in your home. I'll never forget her laughing in the car at me (I don't remember where we were going but I know we were on I-20 near Panola Road) while I was in the back seat yakking. I was dating one of the Barksdale boys whose father's name was GUS and my grandfather's name was GUS and I said if I married one of them, we could name our child GUS-GUS like JOHN-JOHN Kennedy. She thought that was the funniest thing. Another memory is helping your mom when she campaigned for Hal Suit for Governor of Georgia and we stood on the corner where Tattersall's was and handed out pamphlets. Debye - with all our cheerleading and our singing with Diane's accompanying us, I was at your home a good bit. My parents loved your parents. Your mother was so gracious at all times. Take care. And to the Reagans - they had 2 great mothers in their life. Lucky them. Please give Mr. Reagan a hug from me.

“ We were so saddened to hear about Betty and know this is a very difficult time for your family.
I was honored and blessed to have worked with Betty in our school system. Her advice and counsel were very important to me. She was the epitome of a gentle southern lady.
May you find comfort in the love and affection of family and friends.
