“ *Bobby and Jen have been our neighbors for a very long time. We will surely miss Bobby sitting on the back patio and us yelling “hello, how are you” and he always said he was doing okay. He and Jen are wonderful folks to have next door. Our hearts are broken for his family and all his friends at his passing and we will always keep him in our hearts and pray that his family can replace the sadness and grief they feel now with happy memories in the near future. Love to you 💔*
