“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ Very sad to have heard the news of Bruce's passing. Bruce was OUR GUY at Stone Mountain Park and loved by all. Police, all the departments and especially my department, Special Events. He loved his event t shirts and always was "on it". Never had to worry and if we called, he jumped to the need. Our event clients also expressed their sadness as they too loved him. I appreciate all he did for us, made our events run smoothly and always cheerful. I and many others here at Stone Mountain Park will miss him dearly. Heaven has a new angel....rest in peace my friend.

“ *My heart sank when I heard that Bruce had passed, I didn't believe what I was reading! I have known Bruce for many years; we worked together on all of the events at Stone Mountain Park. There was never a time that Bruce didn't have a smile on his face and he could always make you smile no matter what was going on. I have missed working with Bruce the last few months but I am so glad that I got to see him at Yellow Daisy! I pray for peace and strength for his family and friends during this very difficult time.*
