

## Carlos Channer

December 17, 1956 - August 31, 2020

Our nephew, Carlos Alberto Channer-Sawyers, son of Egerton Channer and Sylvia Sawyers, was born on December 17, 1956 in Puerto Limon, Costa Rica. He passed away on August 31, 2020 in his home in Atlanta, Georgia from severe complications of his long-standing Cardiomyopathy, which he battled for many years. He is survived by his spouse, Sandra; daughter, Kira; two grandchildren, Nigel and Ella; three sisters, Karen, Chereth, Cindy; two brothers, Giovanni and Delano; numerous nephews and lots of aunts, cousins and friends. Carlos, of all the many blessings, however great or small, to have you as a nephew, was the greatest one of all. The family chain is broken now and nothing seems the same, but as God takes us one by one, the chain will link again. There are many reasons to celebrate and mourn the life of a loved one. Carlos will be remembered for the marks he left with us; his smile, a hug, his love for his family, his constancy in reaching out to family members and friends. The sadness of the loss of a loved one, may never entirely go away, but remembrance lives on. We want to remember those we've loved and lost, not only for them, but also for ourselves, to mend to heal, to live, and most of all, never to forget. A memorial service will be held on Sunday, September 6, 2020 at 11:00 a.m. at Scot Ward's Green Meadow chapel with Celebrant Priest Father Rev. Evans officiating. Condolences may be submitted on-line at [www.scotward.com](http://www.scotward.com), Scot Ward Funeral Services, 699 American Legion Road, Conyers, GA 30012, 770-483-7216.

*Well, Charlie, I thank you for the short time we lived together. There are people who don't need to live forever to influence (positively) people, and you took the title. Many good memories and yes I need to highlight his great/ big smile, his combative spirit, in fact that was fundamental in my development since in my bad moments, I believed in something (although I never told him directly) that helped me a lot not to fall into bad steps, ( basketball, what a great sport). You gave me a lot, without asking for anything, thank you. Thanks for my first cold bath (you know what I'm talking about). You are no longer in person, but you are in spirit (strong one), so I will continue from that perspective. Thanks Charlie for everything, blessings always. I hope to have the opportunity in the hereafter to have a 1 to 1 basketball game with you, to, continue learning the good things (legacy) you have shown. Big up Masta.*
