“ I feel so lucky to have the privilege of knowing Carmen and loving her as my friend. I've never known anyone with so much compassion and love as much as Carmen gave. She always greeted you with a smile, whether she knew you or not. She accepted people for who they are and never judged them. What a remarkable woman! She will forever be in my heart until we see each other again in heaven. Love Always, Amanda.

“ My condolences to the family as this was a one of a kind, special woman. Throughout the years, Carmen was a constant light to me and my family. She was also such an inspiration and role model to me because she was such a classy lady, no matter the circumstances. She always showed me love and support.

I am so grateful I got to know such a beautiful spirit.

*You will be missed mama!! I love you always.
