“ *Carol was my sweet and precious mother-in-law and I will miss her very much! She had a way of making you feel so special when you were around her. We had many long talks over the years and many laughs. We were close. I was able to hold her hand and spend time with her the day before she passed and it was so special, I will never forget it.* ”

*She loved her Lord and Savior and was an encouragement to me to see how strong she was in her faith! I'm praying for our family in the days, weeks and months ahead. I hope we will carry on her legacy by sharing with one another the love she had for all of us and her love for God. Mom may you truly be a peace now in the arms of your savior.*
