

## Carolyn June Brayton

November 15, 1944 - May 11, 2024

Carolyn 'June' Varn Brayton passed away on Saturday, May 11th, 2024, at her home in Conyers, GA. She was born November 15th, 1944, in Brooksville, FL to Jacob & Doris Varn. Shortly after graduating from Hernando High School in 1962, she married her lifelong sweetheart, Bob Brayton. June spent her life caring for others, as a volunteer with the Florida Society for the Prevention of Blindness, a little league softball coach, scorekeeper for Heritage baseball and softball and countless other ways. But she was best known for her willingness to be an ear for anyone that needed somebody to listen to or a shoulder to cry on. She worked as a volunteer at Stone Mountain High School, a principal's secretary at Stone Mountain Middle School and as an employee at Bas Bleu. June was an avid Florida Gator and often traveled with her husband to watch them play football, baseball, or basketball. She loved to travel, spending years traveling with Bob in their motor home all around the country. But more than any place else, she loved Mount Pisgah on the Blue Ridge Parkway. June loved her family and spent many happy years watching grandchildren and then great-grandchildren in plays, chorus concerts and sporting events. June was a caretaker, always ready to help anyone that needed her, and she was loved by all who knew her.

June is survived by her loving husband of 60 years, Robert Brayton, son Rob Brayton (Christine), three grandchildren Brittany Forbes (Brandon), Meaghan Brayton and Shaun Brayton (Laila), six great-grandchildren Peyton Collins, Oliver Collins, Emerson Forbes, Brayton Forbes, Gavin Forbes and Lennox

Becker, brother Jake Varn and his children Craig and Karen, sister Margie Varn Hamman and her children Stephany, Tim and Adina, brother Donnie Varn and his daughter Lauren. June also had many beloved grand nieces and nephews, extended family, and friends.

“ My sincere prayers and condolences go out to the Brayton family on the loss of your precious Ms. June. I met she and her husband several years ago through my youngest brother, Marc, who worked with her many years ago Stone Mountain Jr. From that point on she and her husband adopted him and made him a significant part of their family. Several years ago, when I was a licensed realtor I had the pleasure and honor of selling their Stone Mountain Home for them. You don't forget good people in this world and she was one of them. May she rest in Eternal peace. Sincerely, Dana L Harris

“ Sharing one memory from us is impossible since we have so many shared memories with June and Rob. We met in Gainesville at the University of Florida in 1963 and ... although we have lived many miles apart (Judy and I in New England while June and Rob in Florida and Georgia) over all of the years after leaving the University ... we have remained close friends ever since those early days when all four of us were young! One of many memories we have began on November 22nd, 1963 when the four of us heard that John F. Kennedy had been assassinated. We grieved his death together from that day through his funeral service. We grieve June's passing with the same intensity.

“ I was one of the players she coached many years ago in little league softball. She was by far the biggest influence for me continuing to play not just softball but all sports. I played softball well into my 20's and will say Mrs. Brayton set the foundation for me that carried on into my coaching. She was undoubtedly one of the most beautiful and inspiring ladies I ever met. She will forever be remembered with love and gratitude for all she taught me. God Bless you all during this difficult time. Rest in peace Coach.
