“*Mrs. Boss, I have so many memories of you and your family since I was a young girl at J.H. House Elementary. The first time I came to your house I was scared and excited all in one. Mr. Boss and you always made me feel welcome at your home. I know the past few years were hard for you without the love of your life. Linda tried so hard to make things as easy as possible for you without your love. The two of you were missing the same person, that had to be hard. I'm glad that Linda and you had all those movie dates, trips to the Fox Theater and timeless trips to Sam's club and the mall. Those are memories that will carry Linda a life time. As hard as it is to say goodbye to someone as wonderful as you. I know to well nothing last forever. I hope that your homecoming to your precious Phil and all those love ones that went before you was everything you had hoped it would be. Please know that you will forever be loved and missed by your sweet Beverly. Rest In Peace sweet lady you so deserve a peaceful eternity. Thank you for always making me feel like family. Linda will forever be my sister friend.*

Love, peace and prayers, Beverly Golden
