*Dearest Sheila, Maris, Bernard, and all the Grands--*

*Bill was the favorite Uncle among our own because...*

*"He always sought us out to make us feel welcomed. He engaged us in conversations with no particular agenda of his own, but to sincerely catch up with us. He was always authentic and non-judgmental."*

*We were certainly all blessed by Bill's heart! He is sorely missed, but it's easy to envision his whereabouts and the jubilant joy he is experiencing at this very moment.*

*We love you Sheila and our prayers are especially with you as you transition into what our Father has yet for you to do!*

*With all our love and continued prayers,  
Your brother, Steve and Arlene*

“ Another great guy now gracing the Hereafter . I have a picture of  
Me, Bill and Weldon, two of the best lost this year. Bill was a favorite  
where ever he went. My Dad continued to ask about him as Bill had  
quail hunted with him when we were in high school. My  
condolences to all those who will miss him.
