“ Charlie was one of a kind! I always loved his dry humor and quick wit! Sometimes it was hard to tell if he was serious about something or not. He will be dearly missed. XOXO ❤️ Jennifer McClure

“ I met Charlie, Diane, David and Patrick in the Summer of 1976 when I moved in across the street from them. Charlie was the first neighbor to show up at my front Door with a big Welcome and his wonderful smile. We immediately became friends as he did with most people that he met. Charlie had a big personality with his big smile his great sense of Humor and always had a story or a tale to tell you couldn't help but like Charlie Haynes. Charlie was the best neighbor and friend I have ever had and we did many things together Water skinning, Fishing Hunting, Snow skiing, and went to many Georgia Football games together. Charlie was a great family man and was always there when his boys David and Patrick took up a new hobby. I have fond memories of Charlie, Diane, and the boys coming over for our cook outs and they were part of my family. Charlie you will be greatly missed and I was blessed that you crossed my path in the walk on this earth. For Diane David and Patrick and the rest of the family I know you will miss him, just remember the great times you had with Charlie and know you will see him again as God has made him new. He is up in Heaven making friends just like he did here on earth May God hold you in his hands during this time of sorrow and give you peace
