“ I would like to offer my deepest condolences He will truly be missed. I have known Mr. Seabolt for 45 years. I remember when we all use to go to his house and hang out with his son, Jerry, that I went to high school. Then our friendship continued from the dentist office. He would always come in with that smile on his face and talk about the VFW and dancing. He loved to dance and he said you are never too old to dance, He will truly be missed. May God bless him and his loved ones.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ I met Chuck while being a member of American Legion Post 77 in Conyers. Of all the associations with other members I would have to say that Chuck was the best. Chuck told me that "Ron you and I always saw eye to eye on legion business". We discussed at length his being of Cherokee Indian blood which was of interest to me since I also had a grandmother several generations ago that was Cherokee. Chuck shared with me a list of those Cherokee who were displaced in Georgia, South and North Carolina and was sent on the Trail of Tears to the west for resettlement. The Cherokee people in my opinion were the most discriminated of any people who lived in North America. I will miss chuck very much, he was the best.

“ Uncle Chuck, I know we haven't spend much time together during the last several years. Life got too busy. I'll always remember how much you and aunt Hazel welcomed and loved me when I first came to the US. You always treated us as your own children. You were a great husband, father, grandfather and uncle. You loved everyone but most of all you loved your Savior. I'm so sorry for the suffering you have had the last couple of years. I know you are now healed from all the illness. Give aunt Hazel a hug for us. We'll miss you till we meet again. We love you. RIP.

Dear sweet Chuck: you were my neighbor in the same community for years. Our sons played basketball together. You were my chaplain when I spent 6 weeks in the hospital. You worked tirelessly in the AMERICAN LEGION HONOR GUARD for years. We shared many joys and sorrows. You brought love and much happiness to me over the years! Will always remember the love and friendship we shared. Your loving heart and smile will be missed. ❤️
