Marty, my heart aches for you & all the family & friends that loved Charlotte. It seemed like only yesterday Carolyn Dutton & I was sitting in St. Pius watching the beautiful wedding of you & Charlotte. That's a memory that remains in my heart. She was such a little spit fire , she could hold her ground with the best of them. Love, Prayers & God Bless to all.

She truly cared for the history of our county and was always ready to lend a helping hand. Although we haven't spoken in years, her kindness and caring attitude and her dedication to our county will never be forgotten. Rest peacefully Charlotte.*

“ *Marty, Charlie, Bobby and Sissy,*

I'm so sorry for your loss..I have many memories of Charlotte, she was my sister-in-law for twenty five years. Charlie and I started dating when she was ten years old, just a baby. Although I didn't see much of her in the last few years I loved her and have fond memories of her. I know she is home with many people who love her and a Heavenly Father who loves her beyond what we can even imagine. God Bless all of you.

“Marty, I was so shocked and saddened to hear of Charlotte's passing. It's been many years since we've seen each other but I only have fondest memories of our time spent together in Athens at the Pi Kapp House, at Sanford Stadium cheering on the Dawgs, or a million other places. Her smile and fun loving spirit are the things I remember the most. My heart goes out to you and the family, and I pray for peace and comfort for you and the rest of your family who are all grieving. I'll hold on to my cherished memories of Charlotte, as I know you will, and I hope they will bring you comfort in the days and weeks ahead. Sending you love and prayers for strength and peace.

“ Cha-Cha was a joy to all that knew her and laughter followed where ever she went. I was fortunate to be her roommate for several years, where she would delight me with her crazy antics, like, the times she would walk across the street and stand in the drive up line at BK and order a BO Burger(lord they had a strong onion smell!) She made me laugh so hard we couldn't catch our breath ,so many times, too many to count. May god hold you in the palm of his hands and bless you always. You will live on forever in my memories and I will smile because of them, and you ,sweet friend ! I'll love you forever!

Kara, well written... Charlotte was amazing and I treasure our college days at Brenau and Georgia. You, Charlotte, were such a blessing throughout college and as a roommate senior year. I loved that we shared the same name. So many incredible memories! GTHO "parties" Sunday nights, going to church, crashing at your and Kara's apartment so often I should have paid rent, sitting on the floor and eating pizza at 2am, costume socials when you dresses as Greg Almond, weekends in BuckHead, and you being in Chris and my wedding. You would have me laughing until my sides hurt. Honestly, I don't know how I would have made it through college without you. May God bless you and hold you close. "Life is eternal; love is immortal; and death is only a horizon beyond which we cannot see." I will see you again one day my sweet friend. Love always, Charlotte

“ *Marty and family,*

The Greene County Food Pantry was shocked to hear about Charlotte. She was our energizer bunny, working more volunteer hours than anyone. Her vibrant personality and distinctive laugh brightened the Pantry everyday she worked. She engaged with our clients, knowing many of them as she seemed to work more than most. Her spirit and kindness will be greatly missed. She was more than special, she was family to all of us who had the privilege of working beside her. She will be greatly missed
