“ I was so saddened to learn of the passing of Charlotte she was a long time friend I haven't heard from in the last few years but I have very fond memories of our younger days she was a very special lady that I've thought of often always with heartfelt smiles

“ Cousin Charlotte was my most formidable Words with Friends opponent! So glad to have had the chance to get to know her via Facebook. She was always sharing tips on how to score higher lol! Gene would always tell us about "the girls" from when they lived in GA lol! She is missed.

“ I remember her brilliant Scrabble playing! When we'd visit we'd play and she crushed all of us, and she usually helped me beat my dad, haha. We didn't get to spend a lot of time together but the time we did we enjoyed.

“ Charlotte help take care of Mr.Cannon for months. Mr Cannon had suffered a stroke and was completely helpless. Charlotte was wise enough to know Mr Cannon was helpless but could probably hear. I would come home from work and she would be talking away in her sweet voice, had found gospel music on the TV and pampered him with aftershave (foo-foo juice). We were lucky to know her
