I am trying so hard, my Chelsea, but how can I move on without you in my life? I wish I could go back in time and change places with you. You never had the chance to live a full life. I long for the sound of your voice saying, Momma, what you doing? Momma can you chime me? Whenever your birthday arrives, you would ask your momma to buy your bday outfit. You would then send me pictures of your complete outfit and ask me what I think, followed by calling to discuss your birthday plans and asking me my opinion. I miss all those things, but I miss you most of all my darling daughter.

“ A Letter to Heaven.

*My Beloved Chelsea,*

*It has been one year since you went to heaven.*

*The hardest thing in the world was losing you.*

*The day you died, my heart broke into millions of pieces, and there will always be a part of me that is missing.*

*I know that you would not want me to stay in this dark and painful place, so I will try harder every day to bring laughter and happiness into our lives.*

*The pain and sadness of losing you never goes away, and now a piece of my heart now lives with you in heaven.*

*Because of you my darling daughter:*

*I understand the importance of love. I will try to love everyone as much as you do.*

*Your memories I have of you will be treasured and kept with me forever.*

*I have learned that nothing in life is permanent.*

*I have realized that the life that was given to us is a gift, regardless of its hardships.*

*I know that heaven is not way up in the sky, but around us and I know you are only a whisper away.*

*I believe in angels and life after death, and I know I'll see you again*

*someday.*

*I know my love for you will never fade away or be forgotten, as you are my child forever.*

*I won't take anything for granted.*

*I will try to live large, laugh loudly, and live with passion.*

*I know that sadness is truly love.*

*I've come to the realization that there is life beyond loss and that, with time, it can regain its joy and laughter.*

*I will forever be your mother in all our lives together, so let's meet again as mother and daughter in our next lives. I am looking forward to the day when I can see you and hold you again.*

*I am sending this letter to heaven and sealing it with a kiss just to let you know how much I miss you.*

*Love Momma Forevermore* 💕💕

“ My darling Chelsea,

*Five months have passed since you went to heaven.*

*God granted me 28 years to be your mother, but I wish I had more time.*

*I love you darling daughter and I will always be your momma in all our lives together. I look forward to the day that I can see you and hold you again.*

*I found your poem in one of my 2019 files that I thought I should share.*

*Chelsea Baptist  
2nd period*

*I AM*

*I am radiant and compassionate*

*I wonder if there is a higher being*

*I hear silence creeping in the middle of the night*

*I see darkness even though it's daytime*

*I want to explore the adventures of life before it passes me by*

*I am radiant and compassionate*

*I pretend to be richer than the higher class*

*I feel the wind scrapping my face*

*I touch the untouchable*

*I worry about poverty taking over the world*

*I cry silent tears for the love one I lost*

*I am radiant and compassionate*

*I understand that life goes on*

*I say ignore the ignorance and hatred of others*

*I dream of being famous and wealthy*

*I try to succeed and strive for the top*

*I hope that hope actually exists*

*I am radiant and compassionate*

“ My Dear Sweet Chelsea today is the fourth month anniversary since you left us...I miss you so much with all my heart and my soul. When you died, my heart was torn apart, one filled with sorrow and the other died with you. I often lie awake at night thinking of all the things that you would have been doing with tears upon my cheeks. I pray every night that I see you in my dreams and hold you one last time, so please come and see me tonight in my dreams, my darling daughter. Whoever says that time will heal all wounds did not really grieve, because living without you is difficult. In loving memories, you will continue to stay with me in my heart for eternity.

“ *They say there is a reason,  
They say that time will heal,  
But neither time nor reason,  
Will change the way I feel,  
For no-one knows the heartache,  
That lies behind my smiles,  
No-one knows how many times,  
I have broken down and cried,  
I want to tell you something,  
So there won't be any doubt,  
You're so wonderful to think of,  
But so hard to be without.*

“ *My dear sweet beloved daughter this week has been such a struggle. I've only been thinking about your birthday Sunday, and you're not here to celebrate your birthday with us.*

*Why is life so cruel and hard to have taken you away from me so unexpectedly?*

*I wish you could come back to me so desperately, but it is selfish of me to continue thinking that way when you are with GOD in his celestial kingdom.*

*The pain of losing you will never disappear... it leaves you so shattered and broken and there is no cure.*

*You will live forever in my broken heart that doesn't seal back up. I miss you so much, my precious daughter, and I love you with all my heart and soul for all eternity.*

*A life with love will have some thorns, but a life without you will have no roses. 💕*

“ *There’s a special Angel in Heaven  
that is a part of me –  
It is not where I wanted her  
but where God wanted her to be.  
She was here just a moment  
like a night time shooting star –  
And though she is in Heaven  
she isn’t very far.  
She touched the hearts of many  
like only, an Angel can do –  
I would’ve held her every minute  
if the end, I only knew.  
So I send this special message  
to Heaven up above –  
Please take care of my angel  
and send her all my love.*

*There is a mother who misses you sadly  
and finds the time long since you went –  
And I think of you daily and hourly  
but try to be brave and content.  
But the tears that I shed in silence  
and breathe a sigh of regret –  
For you were mine, and I remember  
though all the world may forget.*
