“ Dear Wayne and family,

Cheryl was a special part of our group at the Tax Commissioner's office. She was always willing to help me with my computer and tax bill questions. Always doing this with a smile and a hug. I'll never forget her retirement party and my sending her out with a bang. Literally.

She will always have a special place in my heart!

“ I was sad to here about Cheyl's passing. I saw Cheryl on occasion, after knowing her from Jaycees, and enjoyed our short conversations, she was always pleasant and we enjoyed "catching up". Wayne, my sincere sympathies to you and your family.

“ Wayne and family, I am so sorry to hear of Cheryl's passing. I have known Cheryl and her brother Michael since elementary school. It was my privilege and pleasure to reconnect through Facebook and the Gordon High School Luncheon FB page. I have not been following FB closely the last few weeks, only scanning, so I missed that she had not been doing well. I regret deeply that I had not communicated with her recently. My thoughts and prayers are with you at this time.
