“ She was my best friend and I love her so. She may have had other friends that considered her “their” best friend, that’s okay. Without a doubt, she was mine ❤️. That said, she was a friend to everyone she met. I love her so much and though I miss her so, I am so glad she is in Heaven. She is whole again, has no pain and is in His presence. I have so many wonderful memories of our time together and will lean on those.

“ *Cheryl Hancock was a very special person. Her commitment was to her faith and her family. We didn't meet Cheryl until she and Barrie moved to San Antonio. However, I am pretty sure we ate her delightful baked goods even before we met Cheryl. To be around Cheryl and Barrie and to experience their love and devotion was an honor. Whether dinner was at our house or theirs or at PF Chang, we always had special moments together. Health challenges are a burden for everyone and Cheryl had more than her share in the last few years. Yet, she always handled those challenges with grace and dignity. Cheryl will be greatly missed by many. Our deepest condolences to Barrie and all of their large, blended family;

“ *My dearest Barrie and family.
Clarita and I want to tell you how sorry we are for your loss. Cheryl was a true friend and we loved her dearly, as we do you. She would always ask us if we needed anything and if there was an urgent need in our life, she was always there to help.
Because of her generosity, many inmates at the Bayview Detention Center gave their life to the Lord. We will miss Cheryl and she will always have a special place in our hearts.

We love you.*
