“ I grew up with the Prathers in my life. Mr. Prather was the sweetest man I ever meet . Mrs. prather was a no nonsense kind of person she could look at you and tell if you were lying or up to no good but she also had a heart of gold I had the chance to go see her at Benton House a couple of months before she passed and she remembered me. she smiled even let me help her with her lunch she even gave me advice about raising my girls. You will be missed Mrs. Prather Go in peace and be with Becky and Ralph and I will do my best to help Peggy deal with your loss.

Love

“ I loved Teen and Ralph like they were my parents or grandparents! They were so wonderful! I can remember going and staying with them for weeks at a time. Ralph and I were always riding bikes around the neighborhood on country club dr. I'm sure he couldn't wait for Teen to get to heaven to be w him again. Love you all. They both are truly and deeply missed!

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ My Aunt Teen was a short little package with a heart as big as Georgia. She was a gorgeous young woman, and stayed young at heart as her beauty matured. She always had the knack to make people smile, was never shy about lending a helping hand, and definitely met the definition of "steel magnolia"! She knew how to smile when others would have cried! I don't know what I would have done without all those wonderful long phone calls. There was just no one like my Aunt Teen! Love my Aunt Teen!!! Wyndell

“ Momma, I began to miss you from the moment you left us. I know you are better off in Heaven with Daddy and Becki, than being here and sick. I am not quite sure how I will fill my days without seeing you, and calling to check on you, and going to buy you things you needed. I will always have your little face in my mind as I looked in your eyes and told you that I adored you and how precious you were to me. I said, "I love you with all my heart, Mother," and you looked at me and said, "I know, Peggy." I will cherish that for the rest of my life. You were a pistol at times, and glad to say I got it from you. I hope I can be as strong as you. The only way I am getting through your loss, is by telling myself, I am my Mother's daughter, I can do this." Until we meet again, Mommy, go with God. Give Daddy and Becki and the rest of the clan, a Heavenly hug for me. I love you forever and eternally. Your loving daughter, Peggy

Where do I begin?! I met the Prather family about 55 years ago while traveling. Peggy and I met at the hotel pool and instantly became "sisters". My parents and Ralph and Chris became immediate friends. I actually think my Momma and Daddy felt like Ralph and Chris were like brother and sister to them, as well. Therefore, I had a new "Uncle Ralph and Aunt Chris". At the time, we lived in Oklahoma and they were in Georgia. We were fortunate to vacation together several times ... spent great times together. All my years - gosh - Aunt Chris treated me as one of her own. My goodness, she even treated my brothers as her own. They even took one of my brothers in, as they needed some "direction". Then - when I lost my mom 32 years ago Aunt Chris "took over" and became the "mom" I had just lost. I could call her anytime ... night or day ... and she was there. Aunt Chris, I can't thank you enough for all the love and happiness you brought to my life ... and to all the lives you touched. Heaven has received a special angel. You have now joined Uncle Ralph, Becki, my Momma and Daddy, Joey ... and the rest of the angels above ... I know that God has a plan ... and it was time for you to be with Him. You will be sorely missed. Thank you for sharing a part of your life with me. I love you always and forever. This is not goodbye ... it's ... Until We Meet Again. <3 Love Always, Suzette (Suzi) LaFlamme Breaux (along with my family - Art Breaux, Bradley Ecklof & Sarah Ecklof)
Becki - so sorry for your sweet loss. Our thoughts, prayers and love are with you.
