“ *Christopher I am grateful for your time at Memorial Middle School. I know you to be a quiet, hardworking, respectful young man. The hallways of MMS will never be the same.*

I will definitely miss our conversations about our children. You made a strong impression and I already miss you. Rest well Mr. Chris, rest well. To God be the glory Amen

“ *I never will forget you Chris! We spent about 11 months together in Drug Court before I graduated. This is hard on us but I trust God 1st! Your kids will be fine and we have special memories and that smile of yours too remember. I am thankful to spend some time with you the day before you passed and made another memory at our drug court event. I will forever be apart of drug court and be the example I want to see from others. Drug court saved me from myself and I will tell the world! With love your friend Samuel Brown. BKA Sam!!!*

“ Condolences to the family...Chris definitely left a legacy on the grid iron through his sons. Cam has his father's toughness and determination. As one of Cam's coaches, I have never seen a kid with so much talent with such a humble spirit. We are here for the family if needed.

“ *Mr. Chris, Will be greatly missed by all, he was a very nice young man and a good neighbor, he seemed to enjoy working in his yard and always smiled and waved every time we passed on our way in or out! Our thoughts and prayers will continually be going out for the whole family, especially the kids!*
