“ Clara was my sweet neighbor on Lake Forrest Lane since I moved in in 1980. In the last few years I would stop and visit while out walking and we would catch up on neighborhood news. Clara always had a good sense of humor even though she had limits on her activities due to her health. I have missed her over the past many months and I expect that to continue for many more.

I send my condolences to the family and all of Clara's many friends.

“ *What can I say about my instant friend Clara?? AND we were instant friends.. We met at Brian's house in 2010 and shared a laugh that only comes with like minds.. Over the next few years our conversations grew into a relationship of genuine love. We filled a part in each other's life that I can't explain and I don't think she could either.*

Each time she got sick and had to go into the hospital, I would call and when she answered I always said " well, a fine mess you've got us into now"! She would laugh cuz she knew that Anthony and I got in trouble for checking her out one time..LoL!

Well, Clara I'm gonna miss you Dear Friend.. Just keep on laughing and smiling as I know you are now that you are sitting at the feet of Jesus with your precious Daughter and the loves in your life.....

*I love you
Nancy*
