“ Lisa and Tracey, no words can express how sorry I am to hear about your mom. I regret that my sister's and I did not make that visit to see your mom. We had just talked about that we needed to do that because one of them had heard that she had been in the hospital. Your mom and granny had become like family to me since losing my mom 19 years ago. I miss your granny everyday. Your mom asked me did it every get easier losing your mom? I told her no, never. She really missed her mom. Now she is in heaven with her mom and dad. I often thought about what she must of went through losing her dad and almost losing her mom at the same time. Please know that you two, Barry and Liz are in my thoughts and prayers. I'm here for you, what ever you may need. May God give you strength and courage in the days to come.

*Love you,
