“ Marie, I was out of town and did not hear the sad news about Clarence until I got home. I am so sorry for your loss and that I was unable to attend his service. Clarence made such a positive impact on so many lives and I was privileged to have been one of them. It has been my pleasure to be able to work with both of you over the years. Please know that Clarence will be missed by many and that you and your family are in my prayers. With caring thoughts, Guy Dabbs

“ Pam and I and family are deeply saddened by this unexpected news. The memories of serving together in Mexico City remind us of Clarence's convictions and example to us to be about the Lord's work. He was such a 'machine' and his gears were always turning, trying to figure out another angle to share Christ. We cherish the memories of service in Mexico City and Barbados with you both and the time shared in your home. He has run his race with all his heart and soul with such a beautiful help meet. He has beat us to the finish line! His 'Praise The Lord' buttons are all over Latin America with our missionaries. We'd put them on our dashboards and push the button whenever someone cut in front of us and we felt like saying something not so nice...everyone would laugh! We miss and love him dearly. I hope I can be more like him in serving our Lord. David and Pam Wong

“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!
