“ My precious mother was the sweetest lady!! We spent a lot of time together when our husbands were suddenly gone. She was so caring and always worrying about me and making sure I had what I needed. When my stove quit working, I said I don't need one, and next thing I knew she had bought me a stove. I could tell story after story about how sweet and generous my mother was her entire life, even through her illness she remained so sweet! I will miss her every day for the rest of my life until I see my precious mother again!!! What a great family and husband I have and this Christian mother had a lot to do with that!! I am thankful for my mother's continued presence in my life and I will try to live like God would have me to live for the rest of my life!!
