

Conner Logan McKenzie

March 2, 2004 - June 5, 2024

Conner Logan McKenzie, age 20 of Oxford, entered into Heaven on Wednesday, June 5, 2024. He is preceded in death by his great-grandparents, Silas and Della Baxter along with Mary and Van McKenzie. He is survived by his parents, Chad and Mandy McKenzie; siblings Kyle Smith and Kenna McKenzie; grandparents, Bob and Virginia "Geeba" McKenzie and Donald and Carol Vaughn; aunts and uncles, Christy and Todd Hooten, Donnie Vaughn, and Jennifer and Joey Myrick; and many close cousins, family, and friends.

An expert whistler at the young age of two, Conner loved music and playing his guitar.

He enjoyed playing video games, swimming, and fishing. He was an avid watcher of Bob's Burgers and could rattle off trivia facts of this favorite cartoon. He was a geology enthusiast, a serious collector of water bottles, and a culinary daredevil.

An old soul, wise far beyond his 20 years, Conner embraced every moment of his life

with gratitude and thankfulness. He knew the secret of life was to overcome brief moments of frustration and sadness with a belief in God's plan and promises. He was a born warrior, a brave soul, a valiant fighter, victorious to his very last breath here, embracing and relying fully on God's will for his life, no matter where it might lead him. His loyalty and fierce love of family, his generous heart, and his mischievous wit will be missed most of all. These are

just a few of the lessons that his loved ones will never forget.

A funeral service will be held on Wednesday, June 12, 2024 at 11 am at Scot Ward's

Green Meadow Chapel with Pastor Gill Gainer officiating; interment will follow at Green Meadow Memorial Gardens. The family will receive friends

Wednesday, June 12, 2024, from 9:30 am to 11 am at the funeral home.

“ I will always feel incredibly honored that Conner, Kenna, Mandy and Chad trusted me to support them throughout Conner's time at Children's. I am so proud of the way that Conner learned new ways to cope with the things that had once been so challenging. And I'm so impressed by the way that Mandy and Chad constantly advocated for and supported for Conner. I will treasure the many memories we all have together. This world won't be quite the same without sweet Conner! Sending love to all who are missing him.

“ *Conner was such a sweet, kind, and funny young man. It was an honor and a privilege to get to know him and care for him these past two years. He was brave and strong while also allowing himself to be vulnerable, and I will always admire his dedication to doing all he could to live his best life. I'll think of him whenever I see a guitar or pickle juice or a collection of water bottles. His fierce love for his family is a testament to how well he was cared for throughout his life, and I know he is loved fiercely in return. His CHOA Team will keep him close to our hearts forever.*

Thank you Kristin for taking such loving care of my grandson all these years. He spoke of his nurse friends so much. He had his special ones that he hoped to see any time he went to the hospital. We will be forever grateful. Geeba and Pop Mckenzie.

“ Conner was sweet and kind, but at the same time strong and tough. He brought a smile to the room and loved to tell of his outdoor adventures. While his heart condition was a great challenge, he had the greatest gift of all, namely a family that loved him endlessly and did everything to get him the best care possible. His memory will live within us and give us strength. William Mahle

“ My brother would always brighten the room. We both loved talking about video games and enjoyed playing them. He would sometimes bring me candy or snacks that he liked to share with me. He had great taste in music and movies. He knew I loved making artwork, and I would show him all the things I made. I am so grateful I had such a caring little brother. I will always remember him as a kind and caring person.

“ Conner, you should have given Mike lessons in how to propose! A memory that will always bring a smile. My only kid to turn himself into a Christmas bow on my exam table! My ElCharro and DQ loving buddy, I will miss you. Your heart was so full on love. It was the perfect heart, really, in all the ways that are important. You will always hold such a special place in my heart and we will speak of you often. Love you Buddy!
