“ Today, we remember Connie, a beloved sister, friend, and mother, who lived a full and meaningful life before passing at the age of 84. Connie was a woman of warmth, kindness, and quiet strength, who touched the hearts of everyone she met.

*Her laughter lit up every room, and her wisdom was a guiding light for her family and friends. Whether as a loving mother, a loyal friend, or a cherished sister, Connie always gave selflessly, leaving behind memories that will forever bring comfort and smiles to those who knew her.*

*She lived her 84 years with grace and purpose, and her legacy is one of love, compassion, and unwavering support for those she cared about. As we say goodbye, we hold her memory close, finding peace in knowing that her spirit will always remain a part of us.*

*Rest in peace, dear Connie. You will be missed deeply but never forgotten.*

“ *To my beautiful sisters Nicole and Titi thank you for taken care of Audre(mommy) and sharing her. She was filled with so much love and respect that was shared with each person she encountered. The first time meeting, she instantly embraced me as her very own and that feeling was reciprocated. I will remember her smile that lit up a room, her dance moves, her artistic art work and her love for life. Oh, also yelling at the grands for running in and out of the house grabbing snacks. I leave this with you...She lived knowing she is loved and she peacefully left knowing she was loved. God is AMAZING! Love Olivia*

*I will always remember Abuela yelling watch out for Nia when playing outside. You will be greatly missed, but God has a special place for you with HIM. Love. Emmanuel*

“ Connie was everyone’s mother and friend. She would give her home to help you, give the shirt off her back to keep you warm. She was vibrant, fun, say it like it is kind a gal. She was a mom I would love to have. Connie always cared for me and my sister when times were tough. She left two amazing beautiful ladies who made her proud. She was loved by everyone around her. Sad that life happens and we lose the good ones. Connie is someone we would like to keep forever! But her life flows through her daughters and grandkids. We will miss her!

“ To my titi Connie who will be missed now you are with sisters and your brother having a good time in heaven. As for me your niece I will remember the good times we had especially when I was a teenager and we hang around. We used to go to dances to the club and you was always thinking that you were the teenager. Those were the good all days dancing our booties off. and then we will go to the after hours and dance some more and then we will go have breakfast at the Steppin on Parkchester. Those were the good old memories good old days I will never forget so my sweet Tete Connie may you rest in peace and say hello to my mother. Love you always and you will always be in my heart.
