“ Dan is and was a man that I really admired and looked up to. He brought me aboard to be a member of Forces Command (FORSCOM) family where he treated me just like I was his own son. When he first tried to hire me, I told him I didn't want to work at FORSCOM so he turned and called my wife. The next thing I know was that I ended up working at FORSCOM. His favorite quote was "He felt like a pinball in a washing machine". Dan gave me the name "Ernst" asking always is everything okay and did I need anything. Also Dan asked how was my wife and kids. I don't know how Dan got my wife phone number to call her but I knew he loved my wife and I. We loved loved him as well and he's going to be greatly miss but will always be in our heart and debt for being a great man. Thanks Dan and rest in peace, we will meet again even if its being two pin ball in a washing machine.

“ Dan was always willing to go the extra mile to see things done right. His guidance, counsel and humor will be missed. I will always cherish the time I got to spend with him when we worked the deployment missions at FORSCOM. Our loss is heaven's gain. Rest is Peace!
