“ *I'm so sorry to hear about Mr. Harbin's passing. He and Robert Dale Jones gave me my first job at IS A. I owe a debt of gratitude for that opportunity. It was the only company I have ever worked for who believed in their employees. If you wanted to move up the ladder, which I did, they made every opportunity available. He was a great man, an inspiration, and an asset to the software and insurance community. Patti Saint-Marie Wilson.*

“ Dear Sara Jo,

*I have thought of you often this week and want to express my continuing sorrow over David's passing. I pray God will bring comfort and peace during this difficult time as you deal with the loss of your husband. I want to share the words of the great hymn writer, Helen Keller. "What we have once enjoyed and deeply loved-we can never lose-for all that we love deeply becomes a part of us." Keeping you in my prayers.*

*Lovingly,  
Mary Ann (Burnett) Parker (your old time friend)*
