“ Cheryl, Bill & Paul---We were so sorry to hear of Dave's passing. Lots of great memories from our days as neighbors in Edgefield, ever so long ago. Our funniest memory of Dave was the time he loudly proclaimed to Cheryl: "I'LL TELL YOU when I have had enough to drink.". I can still hear that booming voice today.

We will forever remember his death, as it sadly occurred on Tom's 70th birthday. We hope all of you and yours are doing well. Be strong; he is in a better place.

“ I just found out he passed Way today. I am so sorry! The one thing I'll remember about Mr. McCalla is his great smile. No matter what he was going through, he managed to smile. That shows what a sweet person he was. I will miss seeing you guys!

“ Dave,

*I will always cherish the special times in my life that I was fortunate to spend with you and the family;*

*I remember Sunday trips to Lake Lanier where you taught me to water ski.*

*You took me dove hunting for the first time in Cumming Ga and to this day I have never had a better day bird hunting.*

*You took us deer hunting in Crawfordville any time we wanted to go. You, my dad, Ray, Paul and my college buddies met up at Western Carolina for a great weekend trout fishing on the Tuckaseegee River.*

*You helped my dad and I pull the car out of the woods after I held a Dukes of Hazard slide, a little too far into the turn.*

*You provided countless rides in the Cherokee and the Merc.*

*You took Paul and I with you to many softball games that were always fun for us.*

*You brought me along to Hilton Head on the family quest for time share*

*You always provided a fun time at the Burnham Hill neighborhood picnics*

*But above all...*

*you kept us in line, yet gave us free range to be kids as we grew up, and for that I will always be grateful.*

*Until we meet again, you will be missed*

“ My condolences to Cheryl and Bill and the rest of the McCalla Family for their loss.

*I had the pleasure to meet Dave several years ago when i was invited to a Myrtle Beach Golf Trip. He quickly became a true and trusted friend. He always had a kind word for everyone. His smile would light up the room and the golf course. I am saddened by his passing, but he is now pain and illness free in a much better place. He is probably ready to tee off on the first hole as we speak. RIP Dave, you will be truly missed!*

“Mac gave me the best job I ever had. His family and mine have grown up together. We hunted, fished, camped, cooked out shared our lives. We talked almost every Sun. Shared our week. If I had a problem He was who I shared it with. Mac was the most unselfish person I know. He helped everyone he meet. In the lowes part of my life he was there for not only me but my family. We had a lot of the same customers in business, nothing but great things said about Mac. Not only will I miss him, but everyone who knows Mac will miss him Greatly. RIP BROTHER, WE LOVE YOU!
