

David Montgomery Melton

June 5, 1964 - August 26, 2020

On August 26, 2020, David Montgomery Melton entered into his heavenly home at the young age of 56. He is survived by his son and daughter-in-law, Jeremy and Ashley Melton; grandchildren, Lyla, Maci and Alyssa 'JoJo' Melton; mother and husband, Judy and Mike Lurey; sister and brother-in-law, Brenda and Frank Galvan; nephew, Christopher Galvan. Anyone who knew David, knew he was an avid fisherman and hunter. He enjoyed the thrill of the hunt and wanted to share his vast knowledge with anyone who would listen. He loved spending time with his family, especially his three granddaughters. David looked forward to spending more time with them since his recent retirement from Ford Motor Company this past January. He loved the Lord and wanted to share his love with everyone. Please join us for a Celebration of Life on Saturday, August 29, at 4:00 p.m., at New Rocky Creek Baptist Church. Dr. Randy Reese and Jeremy Melton will be officiating the service. The family will receive friends prior to the service from 3:00 p.m. until 4:00 p.m., at the church. Condolences may be submitted online at www.scotward.com. Scot Ward Funeral services, 699 American Legion Road, Conyers, GA. 770-483-7216.

“ The best people are always taken from us too soon. I have so many wonderful memories of time that I was able to spend with David and his family. David was so kind and thoughtful all the time. Growing up with him he taught me from a very young age how to hunt and fish, there was nothing I loved more than doing that with him! We also shared a love for scary movies, if you knew David, he loved the cheesy old kinds (Kill Bill, Nightmare on Elm Street, Friday the 13th, etc.)! We still recently would send each other notes when scary movies were being released or when Shark week was coming on. You also would know the love he had for the band AC/DC and growing up with him this is ALL we listened to. Today, it is still my favorite band as well. All of these things that we shared are so special to me because I will forever have these wonderful memories with David. He was such a special person not just to me, but to everyone he touched throughout his life. I am so blessed and thankful to have been such a small part of his life so that I may now remember and cherish the time we had. To the whole Melton family, I know it has been many years but you all will always hold a special place in my heart forever and may God be with you all during this time.

“ David was an incredibly unique man. He was a dear and trusted friend I was blessed to work along side for 27 years. He made everyone laugh with his random thoughts and his classic shout of " TOUCHDOWN" when something excited him. I will miss my friend but rejoice in the end for he is in a beautiful place. Marc
