“ I’ve been lost for words as to what to write. I will never forget you and your memory will always live in my heart. You are loved by so many including myself. Even though Kelly and I aren’t together any longer, I will always be here for Kelly, Ellie Jewell and Patrick. I’ve really missed not coming over and hanging out with you guys over the years but always enjoyed hearing Ellie tell me all the good times she had at your house with you and Paw Paw. We all will always be family and we love and miss you dearly Debbie. Love always, your son-in-law Craig

“ Patrick. I am saddened by Debbie’s passing and I know how much she loved you. She was the sweetest cousin ever. She taught me to drive a straight shift on an old Jeep. I wept for you and your loss of your best friend. Debbie was so loving. My mom passed in January and Deb was the first to reach out to me with warm thoughts of love. Words are hard to come by at this time but know God is by your side to comfort you. Debbie is there as well and know we are here for you and your the family. Praying for you! Randy Kincaid. “ Patrick and family,  
*Words are so inadequate right now to even try to express what all i'm feeling about Debbie and how much she meant to me. I truly loved her so very much ! Whenever i would run into her here at work in PTC, we would just pick up from where we left off. She ALWAYS made me laugh when nobody else could. I have so many funny 'Debbie and Stretch' stories from work and going on trips together !! She was always talking about you and the kids and loved you all so very much ! If i can help you guys with anything, please let me know. I love you guys. Connie Farr*

Also to the kids and grand kids and all the rest of the family, Pat was always telling me about how much Love Debbie had for yall, I feel like I know each one of you from Nana all the way down to youngest grandchild and her siblings.

Our thoughts and prayers are with all yall, lean on the Lord and make sure you reach out to each other durning the days to come!
