“ *Debbie, I can see your sweet smile now. Growing up I thought you were my sister too. Roselle and you were always together. She is heart broken over your passing. We all loved you like family. Roselle told me that you had been in bad health for awhile but you are in Gods hands now and no longer suffering. I know you will be missed by all the lives you have touched over the years but we will see you again someday. Until then rest in peace my friend.*
