“ I was so heartbroken to hear of Denise's passing. She was a great neighbor and friend for many years. I'll never forget hanging out at the end of our driveways watching the kids ride bikes and scooters in the streets; watching the storms come rolling in (and the huge lightning strike that sent the kids running for cover); swapping baked goods at Christmas and many more memories over the years. Denise was kind and thoughtful and always willing to help watch the dogs or cats while I travelled. I know how much she loved her family and I know they are devastated to lose her. You all are in my thoughts and prayers during this difficult time.

“ Denise and I worked together at McKenneys Inc. We ate lunch together almost everyday. While at those lunches, I learned about her family and the tremendous love and adoration she had for each of you. You were and will always remain the absolute love of her life. I am so glad that I was blessed to know her and call her a friend. My prayers are with you in this time of grief, but remember that your mom and wife will continue to watch over you until you meet her again. God Bless you all. Olivia Preston-Wozgen.

“ We met in high school in VOE and worked at GECU together. We enjoyed dancing at Dallas and had our ups and downs, but she was very transparent in her feelings. We lost touch until Facebook where we reconnected. I am proud to call her friend. Godspeed Denise.
